

Yarrunga Yaps!

Yarrunga PS is a Smile Zone!

**Parents, Carers and Visitors—
you too can help create a
positive atmosphere by coming
into our school every day with a
smile.**

From the Principal:

It has been a very productive and settled week at school, with students getting used to their new routines, new classes and knuckling down to focus on learning.

In our Junior Area, the Rich Unit and focus for Term One is Super Me! They are learning about themselves, their families, our community, about other people and also how to be their best selves.

The 3/4s is a dangerous area to visit! There are devastating disasters happening everywhere! Volcanoes, mudslides, earthquakes; their Rich Unit is quite the adventure.

And in The Hub, our 5/6s are considering deeply our environment. They are looking at the impact humans have had on the environment, but also how the environment changes and shapes us. It is requiring a lot of deep thinking, but our 5/6s are learning lots.

A couple of dates to highlight—we are holding our start of year Welcome Back Clue Hunt next Thursday afternoon. This was such fun last year—kids and families running all over the school, collecting clues and solving problems. This year it will start straight after school in The Hall—more information on the next page.

And our 2020 Captains Presentation Assembly will now be held on Monday the 24th of February. The Captains Badges were delayed but I am collecting them next week.

Remember, you can pop by the office if there is any thing you need, if you have any questions or we can help you in any way. I also encourage you to follow us on Facebook for updates, information and good news stories!

Have an excellent week— Ms Fran Waterman

We're taking part in Jump Rope for Heart this term! Register your child online so they can receive the full benefits of the program and also participate in online fundraising. Sign up now!
