

# Yarrunga Yaps!

**During our Clue Hunt, you had to use the visual clues to find out how many students in 3/4M—did you count the book boxes?**

**Lunch Orders are now available from Burke Street Take-Away on Wednesdays, Thursdays and Fridays.**

#### **From the Principal:**

**Place your orders and pay at the Shop.**

Thank you to everyone who joined in our Great Numeracy Clue Hunt. It was lots of fun, a little bit mad, filled with maths problems and with a sweet surprise at the end. Well done to all those students and families who were able to Crack the Code and also solve the Skip Counting final problem!

Can you believe it is the end of Week 4 already?

The weather is changing and the mornings have been cool. We are seeing students wearing their jackets and jumpers to school. Please take the time to label these items so they don't end up in Lost Property—which is growing! If you are missing hats and jumpers, please check the Lost Property in the Sick Bay.

Mrs Craven, Mrs Giglio and Mrs Powell have asked me to thank all our parents for their understanding around being in the hallways in front of their rooms. Between 9am and 3:15, the Junior Area is a Learning Area and a quiet, focussed space. It is also beneficial for students to begin packing their own bags, building their independence and taking responsibility for their belongings.

On Monday, we are holding our Annual Leadership Presentation Assembly. We will acknowledge those students who will hold Leadership Positions such as School Captains, House Captains, Kids Council Representatives and also our Respectful Relationships Student Leaders. In many cases, these students have been chosen by their classmates and peers, which is a reflection that they are seen as respected, strong and caring. Please come along to The Hall at 9am on Monday to celebrate with our Leaders.

**Have a wonderful weekend and see you for Assembly on Monday — Ms Fran Waterman**
