Check out Georgia & Abbey and their fabulous 'Under the Sea' theme for Term 3!

From the Acting Principal:

Welcome back to Term 3. I hope you all had a wonderful holiday break and are ready for a fabulous term of learning!

While Ms Waterman is on a well deserved break, I will be Acting Principal for the first two weeks of Term 3 and Mrs Rooks will take my place in 3/4C.

Last term we distributed our Semester One reports and hope you enjoyed the new format. There are still a small number of reports at the office awaiting collection, so please ensure you pick these up as they are a wonderful reflection of your child's learning during Semester One.

Term 3 brings some exciting learning opportunities for the students with the 5/6 Unit focusing on 'Earn & Learn' and the 3/4 Unit exploring the 'Secret Life of Pets' - we are anticipating the arrival of some guinea pigs and rabbits very soon!

The 3/4 & 5/6 Units have swimming this term also, so please remember your swimming gear.

A quick reminder to all parents that the staff car park is for school staff use only. This is a safety concern for parents, students and staff and we again ask that you park outside the school grounds in designated parking areas.

Parent Teacher Interviews are scheduled for July 30th . Please remember to return the note with your preferred interview times to the Office. You will receive confirmation of your allotted time slot in due course.

Have a great Term 3! — Mrs Robyn Clarke

2019 Swimming Program:

This year we have changed our swimming program—both the times and the location. We have done this so it does not impact on classtime as much, and working with Moore than Swimming, we have been able to hold all classes in the afternoons.

The cost per child will be \$20 for two weeks of lessons. If you have CSEF, this money will cover your costs.

The swimming dates are for Term 3 are:

Grades 3/4: Monday 15th to Friday 26th of July

Grades 5/6: Monday 29th of July to Friday the 9th of August

Car Parking:

Please note that the school car park is for staff only. This is an important safety issue. We have part time staff, staff from the department, aides that begin work in the middle of the day, kinder teachers and play group workers— there are always cars moving in and out of the car park. We do not allow parents to park in the car park because this means there are no kids in the car park. We do not want students to get in the habit of entering the car park to be picked up.

We ask that you help ensure students and all children are safe at school and do not park in our car park. Thank you.
