

Self-harming at school <ul style="list-style-type: none"> ● Student cutting themselves or other self harming behaviour in the moment ● Remove item that student has used to self harm ● Remove student from common area and place in a safe, quiet area ● If the wound is open, bleeding request immediate support from first aid staff member ● Alert Emergency Report Team (ERT) ● Contact 000 if necessary ● 	Noticing self-harming <ul style="list-style-type: none"> ● Evidence of student self harm, such as changed behaviour, scarring etc ● Consider relationship with student or whether another staff member would be best fit to have a discussion with the student ● 	Student discloses self-harm <ul style="list-style-type: none"> ● Student reports that they have been self harming

Developing Assessment:

- What do you use to self harm
- Where do you do it/ can you please show me
- What is happening at the time where you feel like doing it
-
