Children in School Publicity

At school we celebrate the efforts of our students by mentioning their participation in school events and their achievements throughout the year. Photos and videos will appear in our newsletter, school website, local newspaper, displays up the street etc. We are seeking permission from parents/carers to include their child in any photo opportunities which may arise. This will include first names and surnames.

Please return the slip below before the end of February. If the signed form is not returned to school it will be assumed that you **do not** want your child to appear in any type of school publicity.

This form will be filed and kept for the entire time your child is at Yarrunga Primary School.

You are welcome to change the details of the form at any time.
